For Audio and DVC, scheduled within FY05 1H.

“Only One” products in FY04

26" LCD TV
LT-26LC4

- Industry-first 26V inch size LCD TV
- High quality picture and sound with D.I.S.T. and oblique cone speakers

Multi-format ready
DVD recorder
DR-M1

- Industry-first video recording for both DVD-RAM and –RW (VR&video formats)
- High quality picture available even in long time mode thanks to JVC’s original image compression technology

Big hit
Camcorder
GR-D200

- Completely novel design with color variation
- Consumer visibility improved by tying up with child-care magazine

Mini system equipped with
wood-cone speakers EX-A1

- High quality pure sound with industry-first wood-cone speakers
- Customer target for adults by maintaining quality

Key points for FY2005

(Yen billion)

	FY04 result	FY2005			
		1H	2H	Annual	vs FY04
Net sales	922.0	432.0	503.0	935.0	101%
Operating income	2.7% 25.2	2.4% 10.5	3.5% 17.5	3.0% 28.0	111% 2.8
Net income	1.7% 15.6	0.0% 0.2		0.9% 8.0	51% (7.6)

In order to survive natural selection in the industry, JVC must increase sales in the first year of “Leap Ahead 21” plan, keeping the trend of increasing operating income

Accelerate growth strategy – take the challenge to become an “Entertainment Solution Company”

Provide rich new lifestyle to customers with “market-driven” AV products for music and images through “Only One” strategy.

Continue structural reform – establish ourselves as a “High Performance Global Company”

Combine development, manufacturing, and sales globally to create high-speed turnover management that promptly adapts to market needs.

High-definition displays

D-ILA rear-projection TV to be introduced in July for consumer market

Enhancing rights and peripheral business to expand music software business area

D-ILA Rear Projection TV

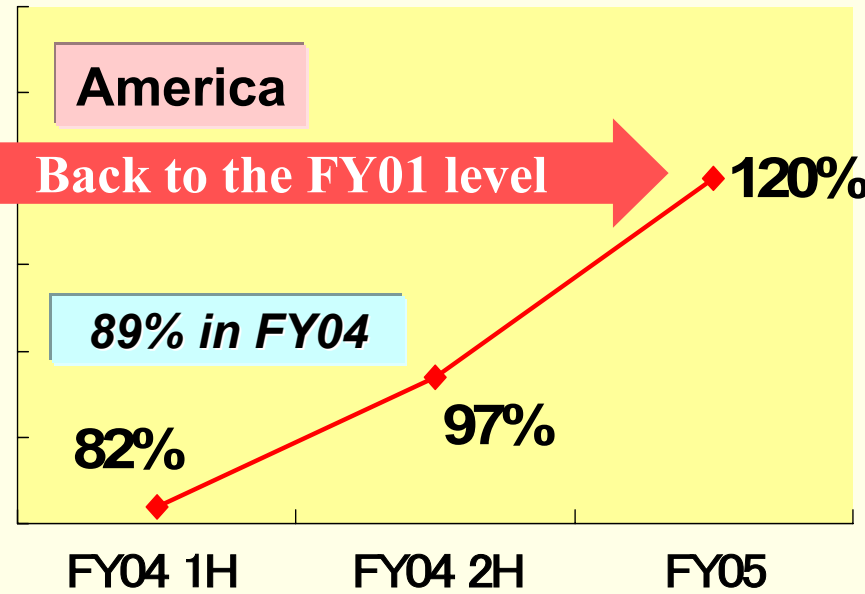

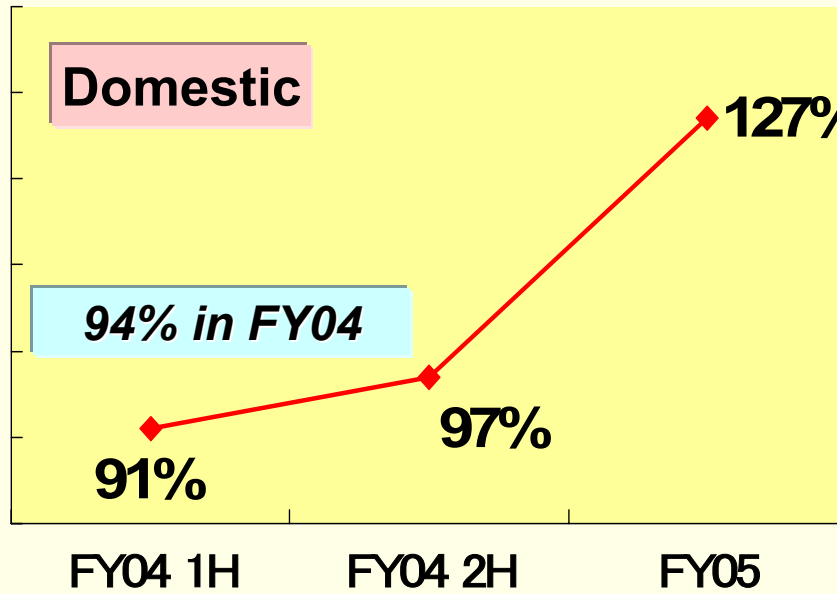

Product to be introduced in America

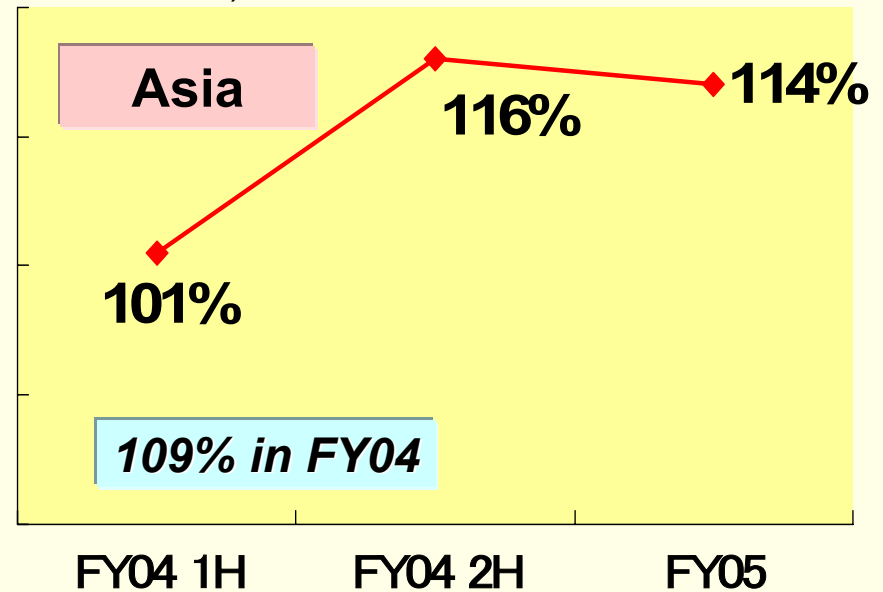

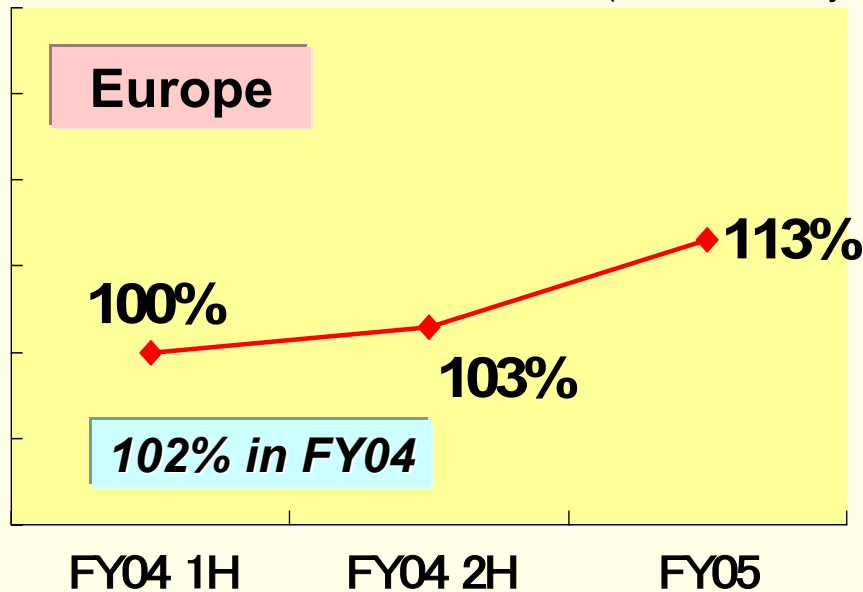

- 52" and 61" introduced in North America market
- Differentiation by picture quality and design

- Main specifications and features
 - ☆ High brightness 500cd/m² (with 61W power consumption: lowest in the industry)
 - ☆ High contrast 1000:1 (the highest ratio in the industry)
 - ☆ High definition with D.I.S.T. and 720P
 - ☆ Stylish table-top design
 - 43cm depth
 - Frameless image front design

FY05 Consumer Electronics Sales Compared to FY04

(local currency basis in overseas)

In the drastically changing environment, concentrate management resource investment in priority businesses by accelerating basic operation reconstruction, including reorganizing personnel distribution, location and employment structure reforms.

Select

Accelerate business evaluation and structural reform

Shrink DY business

Re-establish high-density circuit board business

Reorganize personnel distribution and location

Concentrate

Strengthen key component business to add value to our final products

Concentrate on Motor & Optical pickup businesses

Accumulate high precision manufacturing technology

Build Know-how on yield & operating rate
